### 4WD Recovery Snatch Straps

Recalled models include: LA400A7 - 6,000kg capacity, LA400A10 - 10,000kg capacity,  
LA400C6 - 11,000kg capacity (part of 6-piece 4WD Recovery Kit)

Dates sold: 01/12/2017 – 30/06/2023

**Why the product is recalled:** The products may not comply with the mandatory standard for recovery straps for motor vehicles.

Products included in this recall do not have the required warnings permanently attached to the snatch strap. A sheet containing required instructions for use is also missing from the product.

**Hazard:** Risk of severe injury or death to users or bystanders if recovery straps are used incorrectly.

1. Consumers should immediately stop using the products and check if they are missing the permanent warning label and instructions for use.
2. If the snatch straps do not have the required warning label or instructions, you should contact Lion to arrange for assessment of the strap and relabelling or replacement if required, or for a copy of the instructions.

Ask our staff to find out more about the recall.
